

Team 26 Team Status Report 4

Last Week's goals:

- Meet with our scrum master
- Update Trello board
- Sprint 4
- Team report 4
- Test if all group members can push to repository

Progress Made:

- Met with scrum master regarding Sprint 2
- Described scenarios for testing user stories
- Defined acceptance criteria for user stories

Plans & Goals:

- Meet with our scrum master
- Update Trello Board
- Sprint 5
- Team Status Report 5

Meeting Plans:

We will meet with the instructional team during class time. This week, Tuesday & Thursday from 8:30AM - 9:45AM.

We will meet as a team on our designated platform throughout the week to complete work on our project and form a cohesive team goal.
