

Team 26 Team Status Report 6

Last Week's goals:

- Meet with our scrum master
- Update Trello board
- Sprint 6
- Team Status Report 6

Progress Made:

- Started implementing additional features

Plans & Goals:

- Meet with our scrum master
- Show that viewing a post works for MVP
- MVP Demo (Nov. 30)
- Finish implementing additional features
- Update CSS for application
- Test functionality
- Sprint 7

Meeting Plans:

We will meet with the instructional team during class time. This week, Tuesday & Thursday from 8:30AM - 9:45AM.

We will meet as a team on our designated platform throughout the week to complete work on our project and form a cohesive team goal.
