

Team 26 Team Status Report 3

Last Week's goals:

- Meet with our scrum master
- Update Trello board
- Sprint 3
- Team report 3

Progress Made:

- Met with scrum master and discussed Sprint 2
- Completed and submitted Sprint 3
 - Created a context diagram and a level 1 diagram
 - Defined models and associations for application
 - Updated Lo-Fi UIs
 - Views, functions, route actions, and fields
- Updated product backlog

Plans & Goals:

- Meet with our scrum master
- Update Trello board
- Sprint 4
- Team report 4
- Test if all group members can push to repository

Meeting Plans:

We will meet with the instructional team during class time. This week, Tuesday & Thursday from 8:30AM - 9:45AM.

We will meet as a team on our designated platform throughout the week to complete work on our project and form a cohesive team goal.
